To Whom It May Concern:

Through CleanSource's role of assisting with the administration of the Alabama SAVES Energy Revolving Loan Fund (the "Program"), I have had the pleasure of working with Chuck Boggs of ACE Solar, LLC on a number of solar projects funded through the Program. As a result, I can attest to Chuck's diligence, hard work, persistence, and creativity in bringing these projects to a successful conclusion. And the same can be said for the team at ACE Solar. Notwithstanding the inevitable challenges and problems encountered in the course of developing a project, Chuck and his team always find ways to overcome the same. I trust that others who work with Chuck and ACE Solar will enjoy the same relationship that I have in the collaboration.

Sincerely,
