

INTERNATIONAL FIRE PROTECTION INC.

a subsidiary of **API Group, Inc.**

"Complete Fire Protection Service"

Alabama State Contractors Board,

To whom it may concern,

On October 18, 2012, Chuck Boggs and his affiliates constructed a 50KW solar system at our office "243 Royal Dr. Madison, Alabama 35758". The cost of the system was \$155,695.00

Our system is part of the Green Power Provider Program with TVA.

Mr. Boggs has monitored and maintained our system since it was turned and he continues to do so.

Call with any question you may have.
