BIO: JAYMI RAY

Jaymi Ray comes to ACE, LLC. SOLAR with a Bachelor's Degree in Geology from the University of Tennessee at Martin. With her background in Geosciences, Jaymi brings a strong passion to find sustainable energy sources. While at U.T. Martin, Jaymi was awarded an Athletic scholarship to compete on their Championship Rifle Team, where in 2014, she was inducted into their Athletic Hall of Fame for her outstanding athletic achievements, dedication to accuracy, and precision while on the team. This same passion and dedication is exactly what Jaymi brings to the ACE, LLC. SOLAR team to help spread the word about the advancements and advantages of using solar energy.

Jaymi also has the experience of giving speeches and presentations on a daily basis. She finds the skills of communicating to an array of individuals come to her with ease and in those situations, is truly in her most natural element.

Having been originally raised and graduated from High School in Central Florida, Jaymi has lived in Southern Middle Tennessee for the last 8 years, and openly appreciates all its tranquil beauty. She excitingly looks forward to joining forces with ACE, LLC. SOLAR to bring green, renewable energy to the area where she enjoys raising her family.

ACE is proud to add Jaymi to our Solar Energy Consultant Team.
