To whom it may concern,

Pulaski Electric System has worked on three solar projects with Ace Solar. All of these projects were completed in accordance with Pulaski Electric System requirements, TVA's guidelines, and the state of Tennessee's electrical inspections. All installations are currently generating power into our grid. Below is a list of the projects:

Giles County Funeral Home
43.2 Kw ground mount installation
Installed in July of 2015.

Adam Reeves
14.4 Kw roof mount installation
Installed in July of 2015

City of Pulaski
7.2 Kw wall mount (window shade on side of building)
Installed October of 2015

Sincerely,
