

BIO: TIM MOORE

Tim Moore comes to ACE, LLC. SOLAR with over 20 years of Customer Service and Management experience. He earned a Bachelor of Ministry and Biblical Studies from Harding University in Searcy, AR in 1993.

Tim has the ability to educate our customers on the unique advantages of Solar without the high sales pressure. He seeks to understand his customers and their specific needs, and work to help them find a solution together. He feels that working together will make the world a cleaner and better place for our children to live in. He believes that every person he meets is a friend in the making.

Tim and his Son Eli has lived in Cullman, Alabama since 2007. He loves the Cullman area for their strong family values and atmosphere. Together, they love sports and the Great American Outdoors. Tim is also Scout Master for his son's Boy Scout Troop 219, where Eli is a Star Scout.

ACE, LLC. Solar is proud to add Tim to our Solar Enrgy Consultant team.
