

BIO: MATTHEW W JONES

Matt comes to ACE, LLC. SOLAR as a Solar Installer with multiple types of installations. Matt has a strong background in Computers and Mathematics, which have been enhanced by his work experience. Before entering the solar field, Matt was in the United States Navy and had top security clearance.

Matt attended the Tennessee Technology Center at Pulaski and completed with the following certificates:

- NABCEP PV Entry level Exam, 2010
- Solar Photovoltaic Technician and Installer Diploma, 2010
- Solar Photovoltaic Installer Certificate, 2010
- Solar Photovoltaic Apprentice Certificate, 2010
- LEED Green Associate Certificate, 2011
- Professional Energy Manager Certificate, 2011

Matt has worked on installations as small as a 46.1kw PASA to a 1MW Ground-Mounted (Terrafix) System.
